

USANA CELAVIVE®

go beyond what you see

ENHANCE

Reveal Your Skin's True Potential

VITALIZING SERUM

Dramatically reduce the appearance of fine lines and wrinkles, and the visual loss of elasticity to restore a youthful radiance to your skin. After just one application, skin is noticeably younger looking. Featuring natural botanicals and powerful peptides, this breakthrough, water-based formulation supports your skin's natural beauty-preserving functions. **Featured Science:** The USANA Celavive® Signaling Complex, featuring InCelligence® technology, is made up of two bioactive peptides and two botanical extracts. This hydrating nutrient combination responds uniquely to each individual, working to visibly fine lines and wrinkles introducing key nutrients into the skin to create dramatically younger-looking skin.

KEY BENEFITS

- Supports your skin's natural renewal processes for noticeably younger-looking skin
- Improves the appearance of visible skin aging to restore radiance
- Paraben free
- Clinically tested
- Suitable for all skin types

USAGE

- After applying Perfecting Toner, apply 2-3 pumps of Vitalizing Serum evenly across face and neck in upwards and outwards motions
- Follow with the Celavive moisturizer of your choice
