

E-PRIME

DIETARY SUPPLEMENT 60 CAPSULES

AUST L 66029

A vitamin E supplement for the prevention and treatment of dietary deficiencies.

Vitamin E is an antioxidant which acts as a free-radical scavenger and also aids in the maintenance of general well-being.

Directions: Adults take two (2) capsules daily, preferably with meals.

Each capsule contains:

D-Alpha-Tocopherol (Vitamin E, 200 IU) 134 mg

Contains: Soya and Sulfites.

Laboratory tested, quality guaranteed. Meets British Pharmacopoeia specifications for potency, uniformity, and disintegration, where applicable.

Keep out of reach of children. Vitamin supplements should not replace a balanced diet. Consult your physician if you are pregnant, nursing, taking a prescription medication, have a medical condition, or symptoms persist. Bottle sealed under cap for your protection. Do not use if the safety seal is broken or missing.
