ACTIVE NUTRITION PROGRAMS

Working smarter is key to achieving healthy lifestyle goals, and you'll have everything you need to succeed when you unbox one of our Active Nutrition program kits.

Each kit includes a curated selection of USANA supplements and foods targeted to a specific aspect of health, plus printed resources to help you start and maintain holistic habits. The Active Nutrition programs last up to 28 days and encourage you to focus on lifestyle just as much as nutrition—for the ultimate winning combination.

- Jumpstart Kit
- Maintain Kit
- Transform Kit
- Digestive Health Boost Kit

5-DAY RESET

Reset your body and your life with the **5-Day RESET** weight-management kit.* Each day, simply replace three meals with a delicious and nutritionally balanced Nutrimeal shake, take your USANA supplements, eat whole-foods, reach for low-glycemic snacks, and practice healthy lifestyle habits.

*Individual results may vary. The 5-Day RESET program lowers your daily caloric intake and recommends moderate exercise for best results. It is suggested you take these products to your physician and secure their advice if you intend to change your diet, begin an exercise program, are pregnant or lactating, have allergies, are taking medications, or are under the care of a physician. Children under the age of 18 should not participate in the 5-Day RESET program, except on the advice of their physician and/or dietitian.

CELAVIVE

Celavive skincare, featuring **USANA InCelligence Technology**, combines botanical extracts and powerful peptides in an exclusive formula designed to diminish visible signs of aging, like fine lines and wrinkles.
